| IFEEC 2019: Background, Organisers

- The 4th IEEE International Future Energy Electronics Conference (IFEEC 2019), as a biannual event, continues its traditions to bring together academicians, students, researchers and practicing engineers from all over the world to present emerging topics on electronic technologies for future energy applications.
- IFEEC 2019 will be held for the first time in **Singapore, 25-28 November 2019** at Parkroyal Hotel on Beach Road. IFEEC was previously held in Taiwan, during years 2013, 2015 and 2017. IFEEC 2017 attracted 620 attendees.
- IFEEC 2019 is organised and sponsored by IEEE Power Electronics Society, Taiwan Power Electronics Association and Nanyang Technological University Singapore.
